MAYA SHARMA

PRODUCT DESIGNER | UX RESEARCH • INTERACTION DESIGN • PROTOTYPING

Bengaluru, India • maya.sharma@example.com • +91 90000 12345 • linkedin.com/in/mayasharma-demo

PROFESSIONAL SUMMARY

Product designer with 4 years of experience turning complex workflows into clear, accessible digital experiences. Combines user research, interaction design, and rapid prototyping to help cross-functional teams ship useful products.

EXPERIENCE

Product Designer — 2023 – Present

Northstar Digital (fictional) • Bengaluru, India

- Led end-to-end redesign of a B2B analytics dashboard, simplifying navigation and reducing average task completion time by 28% in usability tests.
- Ran 18 user interviews and synthesized findings into journey maps, prototypes, and a prioritized design backlog.
- Partnered with product managers and engineers to define reusable components and accessibility standards.

UX Designer — 2021 – 2023

PixelCraft Studio (fictional) • Pune, India

- Designed responsive web and mobile flows for 3 client products, from wireframes through developer handoff.
- Built and maintained a Figma component library that improved consistency across product screens.

EDUCATION

B.Des., Communication Design — 2017 – 2021

Srishti Institute of Art, Design and Technology (sample entry)

PROJECTS

TransitEase — Prototyped a public-transit trip planner focused on clearer transfers and accessible route information.

Design System Starter — Created a token-based component library with documented interaction and accessibility states.

Core Skills: Figma • User Research • Prototyping • Information Architecture • Design Systems • Accessibility • Usability Testing • FigJam
